PRIVATE PROPERTY LAND for sale in ARUBA Bona Vista Hills. This is a rare opportunity to own a beautifully positioned parcel of land in Bona Vista Hills, one of the island most promising residential developments. Measuring 1106 square meters, the property enjoys an elevated location with stunning views stretching across the northern coastline and the distant hotel skyline. If you so wish, a modern architectural building plan for 3 bedrooms is available with a fully approved construction permit, allowing you to begin building your dream home right away. This is not a must, you can also design your dream home. Whether you're planning a private residence, a vacation retreat, or a high-value investment property, this location combines scenic beauty with long-term potential. Three stone fence walls have already been erected for your full privacy. With its serene setting, remarkable views, and readiness for development, this is your chance to create something truly special in Bona Vista Hi...
