Why this parcel? If you want your business to stand out, make an impact, or be where people see you, this is the place. Whether you're planning a retail center, office or other commercial use, this land delivers the visibility, access, and infrastructure you need. These two private land (property) parcels together are 2265 m² in size and they are situated directly on the main road of Mahuma, offering maximum visibility for any business. Just minutes from the airport, so ideal for businesses needing quick arrival / departure access, logistics, or tourism-related ventures. Perfect for retail, service industry, mixed-use development, or any enterprise wanting to capture passing trade. A rare find for investors or developers: excellent road frontage, prominent location, and strong growth potential. ...
